

KANS CAPITAL CELEBRATES A SUCCESSFUL \$280 MILLION COMMITMENT TO THEIR FIRST INVESTMENT FUND

Mexico City, August 2023

Kans Capital, a Mexican private equity firm focused on the alternative investment market, is pleased to announce a successful \$280 million dollar commitment to their first investment fund. This achievement marks a significant milestone for the firm and demonstrates the trust that investors have placed in the vision and capabilities of Kans Capital.

The strategy behind Kans Capital's inaugural investment fund focuses on diversification across various geographical regions and alternative asset classes, including growth equity, debt, and real assets. The primary goal of the fund is to deliver value to its investors through strategic investments in industries with robust growth prospects.

The Kans Capital team is headed by Adriana Sandoval, who has over 18 years of experience in investment banking, finance, and operations management in both Mexico and overseas. "We are thrilled to announce this successful capital commitment, which will serve as the driving force behind our first investment fund," said Sandoval, the founder and managing partner of Kans Capital.

"This achievement not only reflects the confidence that our investors have placed in our strategy and focus, but also highlights the commitment of Kans Capital to supporting diversity and inclusion in the financial sector. We are determined to use these investments to drive sustainable growth and create significant value both in Mexico and abroad".

To date, Kans Capital has invested around \$55 million dollars in debt instruments, reflecting interest in their value proposition and the potential of their planned investments. Kans Capital aims to position itself as a leader in the alternative investments sector, with a clear mission of driving growth and economic prosperity in Mexico at the hands of an experienced, diverse and multidisciplinary team.
